

1. K-LOVE serves me in my community by providing me with news in a positive light and the music is so uplifting and encouraging. It helps me stay focused throughout the day.
2. K-LOVE reaches so many people that are struggling in their lives or feeling like they are at the end of their rope, right where they are at whether it be their home, car, etc... This is evidenced by the hourly calls in to the station by people needing help, feeling discouraged with nowhere to go.
3. K-LOVE offers the saving knowledge of the Lord Jesus Christ and support on how to live a Christ-pleasing and abundant life. A life that is not based on circumstances, but on Who God is. That no matter what is going on around you or in your life you can have the "Peace that passes all understanding". Knowing that no matter what happens in our lives God is working all things together for our good. Knowing that our God is a good and loving God, waiting for us to come to him with our cares and burdens, to help us.
4. K-LOVE provides family safe programming and because of their forum, I was able to talk with my children in a positive light about abortion and the devastating affects it has on the women who have chosen to have one. I was also able to share with them God's forgiveness of the cruel and unconscientious killing of our nations helpless unborn.
5. If K-LOVE were not available in my area, it would leave a void in my life and that of others.
